

Probability

Arrange each of these statements on the probability line.

Tomorrow it will snow.

I will watch television today.

I will walk more than 20 steps today.

Tomorrow I will travel by rocket to school.

I will win the lottery.

I will go on a bus this week.

Tomorrow it will be Sunday.

Someday I will go to the moon.

Tomorrow I will be younger.

Probability

Can you create your own statement for each of the categories on the probability line?

Impossible

Even Chance

Certain

Unlikely

Likely
