

# Time worksheet 3 beginner

## Time – quarter to and past

**You will need:**  a partner  scissors  
 a clock with movable hands

### What to do:

Cut out the time cards and place them face down. Choose who will go first. Turn over two cards. If they match, and you can make the time on the clock, you keep them. Play until all the cards are gone.

12:45	5:15	quarter past 7
6:45	quarter to 1	8:45
quarter to 9	4:15	7:15
quarter past 5	15 minutes to 7	quarter past 4
