

Investing for Success

Under this agreement for 2021
Parkhurst State School will receive

\$171,643

This funding will be used to

- Increase the percentage of all learners achieving at and above the school's reading benchmarks and targets of 85% and above by the end of 2021
- Increase the percentage of all learners achieving a 'C' standard and above in English and Mathematics to 85% and above by the end of 2021
- Design and deliver differentiated learning plans for every learner at risk of not achieving a 'C' standard at their level and for those learners already achieving an 'A' standard in English and Mathematics.

Our initiatives include

- Facilitate targeted guided reading lessons and differentiated writing workshops
- Release the school's curriculum leaders (aka Neighbourhood 'Mayors') to oversee curriculum design and review, calibrate assessments and lead teachers as expert teaching teams
- Provide an additional full time teacher aide to maximise existing human resources to support the delivery of quality guided reading lessons across the school
- Engage all teachers in needs based and target coaching, modelling and feedback process to embed quality reading and writing pedagogies with impact
- Further supplement curriculum resources across the school
- Release classroom teachers as Neighbourhood Teams to engage in curriculum planning and collegial classroom observations
- Resource the school's PAWS (**P**actice **A**chieves **W**eekly **S**uccess) Reading Incentives Program to further embed a positive attitude and enjoyment of reading
