Name _____   **Date** _____
Which Objects Have Capacity?

Capacity is the amount that a container will hold.
Look carefully at the pictures below. Use a crayon to colour the objects that have capacity.

Which Objects Have Capacity?

Different sized containers have different capacities.

Cut out the objects with capacity that you coloured (on the previous page).
Arrange them in order from the smallest capacity to the largest. Paste them in
the table below in ascending order (from 1-6).

|	
1. smallest capacity	2.
3.	4.
5.	6. largest capacity

CAPACITY

Answers

1. smallest capacity	2.
3.	4.
5.	6. largest capacity
