I Do

We Are Learning To: Say and write numbers.

What I'm Looking For: Writing numbers using digits and letters.

Today we're looking at the way we say numbers. The first thing we need to look at are the names of the houses.

Hundreds	Tens	Ones

These names come in handy when we're saying numbers.

If there is a number in one of the **hundreds** column we'll say **hundred** after it.

If there is a number in one of the **tens** column we'll say **ty** or **teen** after it.

If there is a number in the thousands or **ones** column we'll say the name of the digit.

Q1. Write the number in **digits** that you hear.

Number

4	5	2																	

Q2. **Say** this number out loud
349

Q3. **Say** this number out loud
993

Q4. Write this number in **words**.

36

t	h	i	r	t	y	-	s	i	x										

Q5. Write this number in **words**

582

f	i	v	e		h	u	n	d	r	e	d		a	n	d				
e	i	g	h	t	y	-	t	w	o										

Q6. Write this number in **digits**.

Eight Hundred and Two

8	0	2																	

We Do

Try these next ones in your books. Make sure your bookwork is beautiful and neat! I'll be checking. You can get your parents to help you in this part.

Q1. Write the number in **digits** that you hear.

number2

Q2. **Say** this number out loud.

453

Q3. **Say** this number out loud.

999

Q4. Write this number in **words**.

Q5. Write this number in **words**.

801

Q6. Write this number in **digits**.

Three hundred and Thirty-three

You Do

Try these next all by yourself. Make sure your bookwork is beautiful and neat!

Q1. Write the number in **digits** that you hear.

number3

Q2. **Say** this number out loud

467

Q3. Write this number in **words**.

888

Q4. Write this number in **digits**.

Four hundred and forty nine.

Challenge Questions

These ones will stretch your brain, they even go into the **Thousands** column!

Q5. Write the number in **digits** that you hear.

number4

Q6. **Say** this number out loud

1304

Q7. Write this number in **words**.

2566

Q8. Write this number in **digits**.

Five thousand two hundred and seventy-seven.

Q8. Write this number in **digits**.
Five thousand two hundred and seventy-seven.

Plough Back

Today we were learning about place value and how to represent numbers in a variety of ways.

We Are Learning To: Say and write numbers.

What I'm Looking For: Writing numbers using digits and letters.

To finish off, write the house that the **orange** numbers are in.
