Book, Stationery and Equipment List

This is our official list of school requisites your child/ren will require in **2024**. It is our intention, where possible, to minimise educational expenses for parents and carers.

We recommend that materials from 2023 and previous years, especially those indicated by a (*) be reused if they are still in good condition and meet school requirements.

Parkhurst State School Parents and Carers have two options to consider when purchasing their child[ren]'s 2024 Book, Stationery and Equipment supplies.

Option One

Present your Book List/s to be filled at the **Lucky Charm Newsagency** in the **Parkhurst Town Centre**.

Option Two

Parents and Carers supply all materials as outlined in the Book, Stationery and Equipment List/s. Exercise books purchased need to have the correct writing lines. An example is included in this Book, Stationery and Equipment List for your reference.

Collecting and Pooling Items

Some classes may collect and pool items for distribution throughout the year to extend their longevity and avoid restocking items. Items may include pencils, glue, scissors, crayons, paintbrushes and tissues.

Naming and Labelling Items

Please clearly **name** all items including school stationery, school bags, hats, shoes and coats for easy identification.
